Response to Amendment

1. The reply filed on October 11, 2005, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant adds new claims 22 and 23 in the claims and it appears that the original disclosure does not support the recited claims. Moreover, the original drawings do not show or support the recited structural elements of "rigging that extends downwardly from the beams", "detachably coupleable to a load", and "the rigging lifting the load from the ground". See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
